RULES

Exhibitors are requested to enter only those classes they expect to fill.

The Secretary will furnish class cards in envelopes marked with number on the outside, which are to be placed with the exhibits, and not opened until after the judging.

Exhibits must be in place by 12:00 noon on the day that they are to be judged.

No flower will be allowed to compete in more than one class, except that a "Novelty" may be entered in a novelty class and one other class.

Exhibitors will be awarded but one premium in each class in which they compete.

No premium will be awarded unless the exhibit is of merit sufficient to warrant the judges in making the award.

Any exhibit, however small, will receive the attention of the judges, and receive an award on its merit.

Any person having flowers or fruit of merit which they are willing to display are invited to enter them although they are not classified in the schedule, and they will be judged the same as if classified.

Any person having a flower and not knowing the true name, is invited to bring it in, and we will try and have it named.
